

## US Customers

Following the changes to BAFT laws governing the importation and labelling of alcohol in the US since January 2004 as a counter terrorism procedure, potential and current cask owners need to be aware of the following:

Bruichladdich Distillery Company Limited cannot accept cask orders from addresses in the Liquor Control States of Alabama, Idaho, Iowa, Maine, Michigan, Mississippi, Montana, Montgomery County, Maryland, New Hampshire, North Carolina, Ohio, Oregon, Pennsylvania, Utah, Vermont, Virginia, Washington and West Virginia.

For BAFT approval and trademark purposes, the Bruichladdich Distillery label and bottle shape are not permissible for private cask owners. A standard cask owner label with a personalised back label will be provided **compliant with current BAFT regulations** prevailing at that time.

Importation of alcohol in to the US Free States is via a three tier importation system (Distributor, Wholesaler and Retailer) with the associated taxes, duties, levies, charges and distribution costs liable prevailing at that time.

Bruichladdich Distillery Company Limited is under **no obligation to arrange importation into the US** but will assist where possible and **cannot guarantee that importation into the US will be possible in the future** as a result of any further changes to the US importation laws.
